

# The Process is Quick, Easy and Risk-Free

Optimally™ Business Performance is an expense-reduction partner that benchmarks your company's spending, helping you save money.

**SCHEDULE YOUR OPTIMIZATION ANALYSIS TODAY!**

## WHAT COMES NEXT

### Step 1

- » Send us a 12 month General Ledger report

### Step 2

- » We provide an overview of vendor spend identifying areas to optimize expenses

### Step 3

- » We negotiate your agreements without impacting vendor relationships

## HOW IT WORKS

We establish baseline rates and start negotiations with vendors on your behalf.

New rates are implemented, and savings are realized. We perform monthly compliance audits to deliver additional optimization insights.

We continue benchmarking your rates against our \$6 trillion data lake to find new savings opportunities.
